Welcome to Heritage's "Days of Our Lives"

Just as soap operas imitate life, our years at Heritage are no different. "AS the Year Turns" we find many things have changed at Heritage. We have a new headmaster, various new teachers, new students, and new rules to obey. Some things never change though, so tune in to this 1986-87 year at Heritage . . .

Dedication

Mrs. Sally Wooten has for the past five years been an extreme asset to our school. She not only works at our high school, but the elementary as well. At the high school she works with drama class and the jr. high and sr. high chorus. She works diligently to produce a class production in both drama and chorus and always has a class performance. No matter what the job is, Mrs. Wooten puts forth her best effort and does superior work for Heritage Academy!

The 1986-87 Heritor proudly dedicates the yearbook to Mrs. Sally Wooten.

A LEARNING EXPERIENCE

Through all the years of work and fun,
We've grown together, all as one.
We've shared some tears and laughter too,
And a special love for me and you.
We've waited for this day of ours,
And now it's come at last.
Though we are ready to move on,
We'll never forget the past.
The past twelve years have been more than fun,
They've taught us how to share.
To share our feelings with one another,
They've taught us how to care.

'87 WE'RE SO FINE,
WE'RE THE CLASS THAT'S
ON TIME!

DRAMA

The High School Drama Group this year produced two major productions. In December, the group produced a three act play *No Hope for Charity*. In the Spring, a series of four one acts was produced. *Last Stop, The Legacy, Devil and Tom Walker,* and *Run, Robber, Run* were produced to a full house at the Princess Theater. Other high points of the year were commercials that the class produced, and who will ever forget Tommy, Swinton, Ralph, and Jon Floyd's outstanding Rock group!

DRAMA SNAPS

On December 1 at the Princess Theater the fifth period drama class presented "No Hope for Charity", a melodrama that took place somewhere after the turn of the century, by Ken Bradbury. The play was under the direction of Mrs. Sally Wooten, Fine Arts Department chairman and Kelly Jennings, Student Director.

Columbus Hospital Incorporated

Two local doctors built the facility on Main Street (then an unpaved thoroughfare) in 1905. Historical records, circa 1910, described the medical facility as "the splendidly equipped, modern hospital in Columbus ..."

However, due to financial hardships, the hospital was forced to close in the early 1930s. First Columbus National Bank held the hospital in receivership until 1933 when Dr. Thomas F. Wolford, Sr. took over the business.

Through the years, the hospital building and equipment were updated regularly. New wings were added; the exterior and interior were remodeled; and new, modern equipment was continually added.

But, in 1976 hospital officials decided a move to new headquarters was necessary to continue to meet the needs of patients.

The Willowbrook Road site was selected because of its access to the bypass and its availability to medical support facilities and physicians. The availability of a 15-acre tract of land was also very attractive. Ground was broken for the new hospital February 23, 1979.

Tax-free revenue bonds were secured to finance the construction of the new building. The bonds will be paid solely from hospital revenue with no obligation to Lowndes County taxpayers.

The new building has been constructed at a cost of $3.85 million, with equipment and other contents valued at $1.25 million. General contractor was Algernon Blair, Inc. of Montgomery, Alabama. Architects were Virden-Roberson and Harrison Ltd. of Columbus.

The building and parking lots occupy approximately 3½ acres of the 15-acre site. The three-story, brown masonry building contains 65,000 square feet. Services include: medical/surgical, coronary/intensive care, psychiatric, chemical dependency, and emergency room.

"Columbus Hospital has served the people of this area for over 75 years. Our objective is to continue the tradition of providing the highest quality patient care."

"All of the resources of our hospital are dedicated to meeting the needs of the people we serve. We appreciate your support in the past and look forward to meeting your future healthcare needs."

"We like to think we give our patients the utmost in personal attention from the time of admission through discharge. We really care about our patients and their families at CHI."

Rachael Stuart

Being the editor of the *Heritor* my senior year has really meant something special to me. This year has been full of many great memories that will last a lifetime. The *Heritor* staff, Mrs. Wamble, and I have all worked very hard to put these memories into the *Heritor* this year. Thank you Mrs. Wamble for not only being such a dedicated sponsor, but also a dedicated friend. There would be no such thing as the *Heritor* if it weren't for Mrs. Wamble. I hope each and every one of you will enjoy this annual now and in the years to come.
